**Experience how easy DocuSend is to use... www.docusend.biz**

*Visit our user-friendly website to see how DocuSend can help your bottom line. Your documents are printed and mailed by the next business day.*

# DocuSend Features

### DocuLink
Monitor when your customers view the secure documents in your sent emails.

### Certified Mail
Track and verify delivery of mandated or sensitive documents.

### Add Insert
Communicate with customers at a fraction of the cost of a separate mailing.

### Remittance Envelope
Add a remittance envelope without adjusting your template.

### Merge Option
Combine same addresses in a single envelope to save money.

### Report Portal
Access to daily reports that include file dates, quantity mailed, cost per file.

### Generic Mailing
Merge CSV and PDF files. Send your generic mailings.

### Color Printing
Cost-efficient. Promotes your brand. Highlights important areas. Adds vibrancy.

### Duplex Printing
Print one-sided (simplex) or two-sided (duplex).

### Address Placement
We find your address locations so no need to adjust your template.

### International Mail to the USA
Cut postage rates and delivery time by mailing from within the USA.

### International Mail from USA
Easily mail to outside the USA.
